PROFILE INFO

Balancing the rigorous academic demands of AS Level studies with a thriving passion for professional graphic design, you are actively laying the groundwork for a future career in Architecture. By day, your advanced coursework sharpens the analytical logic and structural discipline required to design physical environments; by night, your graphic design work allows you to master visual layouts, spatial aesthetics, and high-definition digital rendering.

ACHIEVEMENTS

GRAPHICAL AND EDITING ON ANUJ TILES DGL 2023- Present
